St Benedict of Norcia – A Life That Transformed the World Through Jesus

Born around 480 AD in Norcia, Italy, St Benedict came into a world in turmoil. The Western Roman Empire had collapsed, and society was crumbling into moral and political chaos. St Benedict, growing up in the midst of this disorder, became disillusioned with the empty pursuits and moral decay of his peers in Rome, for he was a young man who had a deep faith in Jesus Christ.

Frustrated with the increasing selfish pursuits of his peers, St. Benedict did a runner, withdrawing from the noise and corruption of the world. He retreated to a cave in Subiaco, where he lived in solitude and prayer. Like the Good Samaritan in this coming Sunday's Gospel, who was moved with deep compassion on seeing his wounded neighbour, St Benedict allowed Jesus' love to transform his heart. His time in the cave was not an escape, but it was a time to strengthen his relationship with God. There, St Benedict got to know and love Jesus more dearly, placing Him more and more at the centre of his life.

From this deep and beautiful relationship with Jesus, St Benedict emerged not to judge the world, but to heal it. He began forming communities rooted in prayer, work, and mutual care—what we now know as Benedictine monasteries. These became places of refuge, learning, and love. Through the **Rule of St Benedict**, he called men and women to live in humility, obedience, and service, turning away from self-gratification to live for God and others.

In a society bent on selfishness and destruction, St Benedict's vision brought transformation. As St Paul says in this coming Sunday's second reading, Jesus came to "reconcile all things to himself... making peace by the blood of his cross" (**Colossians 1:20**). St Benedict became an agent of this reconciliation, shaping communities where self-absorption gave way to selfless love—where people no longer passed by on the other side, but stopped, like the Samaritan, to care for their wounded neighbours.

St Benedict's life so profoundly shaped Christian Europe that he became the **Patron Saint of Europe**. In following Jesus, Benedict led not only monks, but entire societies back to a life in relationship with Jesus—one where Jesus lives in our hearts and minds, renewing us, and through us, the world.

May we, like St Benedict, become people who sacrifice our selfish desires for the good of others, especially those harmed by indifference—and in doing so, may Jesus continue to transform our world through us.

"Every conversation matters"
Safeguarding matters.

Justice Peace & Ecology Noticeboard.

The importance of Dialogue – Dialogue was one of the five themes of our recent SOOT workshops. We came to realise that we could be better at dialogue. Often, we cannot even identify who we should be speaking to. For example, when we advocate for a Neighbourhood Centre in the area. The people who are most likely to benefit from a Centre are the marginalised in our community, yet, apart from Vinies, do any of us know where, or who, they are? We are dialoguing with State and local politicians, and officers of other Neighbourhood Centres, but have you any thoughts on how we might start to find who are the needy in our community and what help do they really need? You might be saying, "Well, I have some answers to the question, but who do I tell?"

In the first instance, speak to any of the following, Bonni Vorstep, Losa Ah Colt, Margaretha Mortiaux, Marie Lition, Ricardo and Pauline Adams, or Ken Butler. Or drop us an email at the address below.

Parish Laudato Si Action Plan - We are tasked by the Archdiocese to prepare the Parish Laudato Si Action Plan. We want Parishioners to contribute to its preparation. Do you have any ideas on how we can involve all interested people?

You might now be saying, "Well what is the Parish Laudato Si Plan all about?" Look for our Power Points before Masses over the next few weeks. Better still, right now, go to <https://brisbanecatholic.org.au/gods-work/laudato-si/> and check it out.

JP&E has a new email address - jpstbenedicts@gmail.com.

The old email address is inactive. *Should you have any questions in regard to any of this information please reach out to the JP&E Group on jpstbenedicts@gmail.com*

*We respectfully acknowledge the Gubbi Gubbi and Ningi Ningi people, as the traditional custodians and caretakers of the land in which we gather for the St Benedict's Catholic Parish.
We acknowledge the Elders, past, present and emerging.
May we, too, be good stewards of this land.*

Help us keep you up to date.

Please feel free to contact the Parish Office if you would like to update or check any contact details we may have on file for your family. Receiving our weekly Newsletter by email is a great way to see what is happening in and around our Parish.

Our faith sustains us through challenging times.

Now, more than ever, your support is needed to help our Parish to continue valuable pastoral activities and to provide ongoing sustainability. To assist you in supporting the St Benedict's Parish, you can now give via the Planned Giving APP:

Smoke Free School. A reminder to all Parishioners and Friends that smoking is not permitted within school grounds. The law relating to school land applies at all times - during and after school hours, on weekends and during school holidays.

Where persons are observed smoking on school grounds or near our school, legislation requires that the person to either stop smoking or move to an area where smoking is permitted.

A matter for safety/care and concern. We ask that families please do not allow children to use the playground equipment on school land before or after Mass of a weekend as a matter of safety. Thank you

Leaving a Legacy

A simple yet powerful way to impact future generations, is to leave a gift to St Benedict's Parish, North Lakes, Mango Hill, Griffin in your will. After you have taken care of your loved ones, you may consider naming St Benedict's Parish to receive a gift, which will continue to make a meaningful and profound difference to your Parish.

Financially Supporting Our St Benedict's Parish

To everyone who actively contributes financially to the life of our St Benedict's Parish. Thank you! Without you we would not be able to operate as a parish.

We know that the only stable and recurring income that our parish receives is from the **support of our Planned Giving Program**. Our Planned Giving is required to meet the financial cost of running the Parish and raising funds to build our Church.

I am asking every parishioner to commit some of your **TREASURE** and help make our dream become a reality. Our Parish Pledge Card is available at the Mass centre; asking everyone to **commit to the Planned Giving Program**. If you are already in the Planned Giving Program, we are asking you to at least continue and if at all possible increase your financial support.

If you are not yet part of our Planned Giving Program, then please join and make a commitment to our Parish. There are three (3) options to financially contribute to the running of the Parish. These are:

1. **Direct Debit**
2. **Credit Card**
3. **Giving Envelopes**

On our Parish Pledge Card we will have an opportunity to support:

- * **The Parish (Running) Collection**, which supports the expenses incurred for the day-to-day, efficient and effective running of the parish. (Leases, Wages, Supplies)
- * **The Building (Church) Donation**, which supports our purchasing/building of assets, which include our future church, office, and an adult faith formation/gathering space.

If we want the Archdiocese to contribute significantly to the building of our church, then we need to show that we are financially viable as a parish. So please join our Planned Giving program to help secure our financial future and to give us funds to answer God's call for us to spread the Good News of Jesus through our words, our deeds, and by being vessels of God's hope, love, and peace.
