Jesus, the Bread of Life!

In Sunday's Gospel we see very clear allusions to our celebration of the Eucharist, which we come together to celebrate each Sunday. The Gospel starts by saying, "Jesus made the crowds welcome and talked with them about the Kingdom of God; and he cured those who were in need of healing." One of our great strengths is that we are a very welcoming, joyful, and vibrant community of faith. Please stay this way. Last Sunday, one of the grandmothers of a child making their First Holy Communion congratulated me for having such a beautiful community. I cannot thank God enough for you all. Thank you for being such wonderful vessels of God's love for others.

Jesus then talks to us, speaks with us, about the Kingdom of God. This happens both during the Liturgy of the Word and throughout the Mass, and indeed our lives. To hear this life-giving Word, all we need to do is listen to Jesus with the ear of our heart (St Benedict's Rule Prologue).

Now, in listening to Jesus today, He asks His disciples to feed more than 5000 people, who are hungry. The people gathered are hungry both physically and spiritually. These people, like all people, are fed by the power of God. Miraculously, the people are fed physically with the multiplication of five loaves and two fish. We are fed spiritually, even more miraculously, by Jesus giving us His very self. For nothing is impossible for God, and there is nothing that God wants more than for us to receive Him into our lives in the most beautiful and profound way in Holy Communion.

The disciples clearly are the ones who distribute the food out to the hungry. Sacramentally, the disciples continue to distribute the Bread of Life (together with the Cup of blessing) to those of us who hunger and thirst for God. It is this Bread of Life, Jesus, who always calls us to be bread for others, doing all we can to help all those in need of God's love.

Next month we have great opportunity to help those in need, through the St Vinnies Winter Appeal. Let us continue to yearn for the Bread of Life, Who enables us to love all people, especially our sisters and brothers in need.

Hymns at Mass

Unfortunately, we are still waiting for an imported part, which will fix the projectors in our Mass centre. We have decided to choose three hymns (Opening hymn, Communion hymn, and Recessional hymn) to be sung at our Masses each week until the projector is repaired. These hymns will be printed and laminated and handed out at our Masses. We will collect these laminated sheets and sanitise them at the end of each Mass. This is to encourage everyone to participate in the singing at our Masses. For as St Augustine says, "When we sing, we pray twice."

Saturday Evening Mass - Resuming in July

Great news!! We are resuming our **4pm Saturday evening Mass on the 2nd of July**. This will hopefully allow our parishioners who have underlying health conditions to be able to come and celebrate Mass with us and feel safe.

The children were very engaging and clearly showed a love for Jesus and expressed terrific joy and reverence when receiving Jesus in Holy Communion. Please continue to pray for all these children, and their families, so that they will come to know just "how wide and long, how high and deep is the love of Christ is for us all." (Eph 3:18).

Covid-19 is Still Very Contagious

Unfortunately, there are members of our parish community who are catching Covid-19, and I would not be surprised if it is being caught at one our Masses. Now that restrictions are eased, our Masses do have the potential of being super-spreading events. **So, please may we refrain from coming to Mass if we have any cold or flu symptoms, and may we wear a mask, socially distance, and sanitise our hands regularly to prevent the spreading of this very contagious virus.**

Mask wearing at Masses is now optional, and there will no longer be capacity limits at our Masses.

However, to include our parishioners who are at risk of being very adversely affected by Covid-19, **we will set up an area of the Mass Centre to be Covid-safe. That means this area will be reserved for parishioners who are vulnerable and would like to maintain social distancing and wear masks.** I urge you to follow the recommendations following to do all we can to keep each other safe during these times of reduced restrictions.

**** Please stay home if you are sick or showing signs/symptoms of illness.**

**** Wearing a mask is recommended when you cannot socially distance.**

**** Please maintain good hand hygiene.**

**** Please do not shake hands, hug, or kiss hello. These actions are not COVID safe.**

Thank you so much for your ongoing commitment to keeping each other safe.

Safeguarding is everyone's responsibility.

A reminder to all Parishioners and Friends that smoking is not permitted within school grounds. The law relating to school land applies at all times - during and after school hours, on weekends and during school holidays.

Where persons are observed smoking on school grounds or near our school, legislation requires that the person to either stop smoking or move to an area where smoking is permitted.

A matter for safety/care and concern

We ask that families please do not allow children to use the playground equipment behind the OSHC building before or after Mass of a weekend as a matter of safety. Thank you

We respectfully acknowledge the Gubbi Gubbi and Ningi Ningi people, as the traditional owners and caretakers of the land which is the St Benedict's Parish.

We acknowledge the Elders, past and present. May we, too, be good stewards of this land.
